

ISSA Support for Syrian Refugees

ISSA collaborates with government systems, service providers and community organizations to help them interact with the Muslim population of Manitoba.

For the Syrian refugees arriving in Winnipeg, ISSA is equipped to provide:

- Cultural Competency Training for service providers and community hosts.**
- Resource coordination among Muslim organizations.**
- Social integration support for individuals and families.**
- Mental Health supports (based on cultural and spiritual counseling).**
- Helping clients navigate systems**
- Consulting on issues pertaining to Muslim Canadians**
- Published informational and educational materials for various sectors pertaining to understanding Islamic faith and cultures.**
