

Sabrina Bahadoosingh attended the University of Manitoba and graduated with a degree in Business and Psychology. She worked for several years as a Financial Advisor with Freedom 55, assisting her clients with life insurance and mutual funds. Sabrina later decided she wanted to make a difference in the lives of others and applied for a job with The Salvation Army Booth Centre. Sabrina started as a Case Worker and moved forward to become the Program Coordinator of *The Haven*, a mental health rehabilitation program. During her time at the shelter, she helped many individuals with diverse issues. She always had an understanding of people who suffered from mental illness, and wanted to make sure they received the best care and help they required. For the past year Sabrina was the Operations Manager at Islamic Social Services Association. Currently she is the Event Coordinator for a project collaboration with ISSA and Canadian Muslim Women's Institute. In her spare time, she likes to get together with her family and friends, spend time at her cottage and acting. She volunteers her time with Folklorama, Winnipeg Harvest and Siloam Mission.
